My School

Our school is a big villa in Pecetto so we may consider ourselves very lucky to have a big field to play in.

Robert Faulkner

Our crasses are big and cosy that help us to work better like in a family of students.

by
Ezio Santagata 4th

Our school is very nice because there is a garden to play football.

Also my teacher, Mrs. Smith, is nice because she teaches the things to learn very well.

Our classroom is big and nice to study.

I think American School is the best of the world.
