It all began like this.

Now we are both older and more mature(hopefully).

This is our last year of High School.

The time has come to face life (help!).

to a life of hardships and disappointments.

Hopefully we will overcome all these terrible obstacles and come out winners.

Who knows, maybe some day you will hear our

names again. So hang on to this year book

with all your life, because we are going to

immortalize it with our autographs, that

some time in the near future may be requested

by everyone (don't worry we're not presumptuous).

MEMORIES

clinton arrowood

You, perhaps, think
that memories are
for when you're older.
WHAT ARE MEMORIES?
Something from long ago?
... well yes and no.
Memories happen everyday.
i remember friends,
«people i use to know»
and other places i have lived
But are memories more?
well SURE!

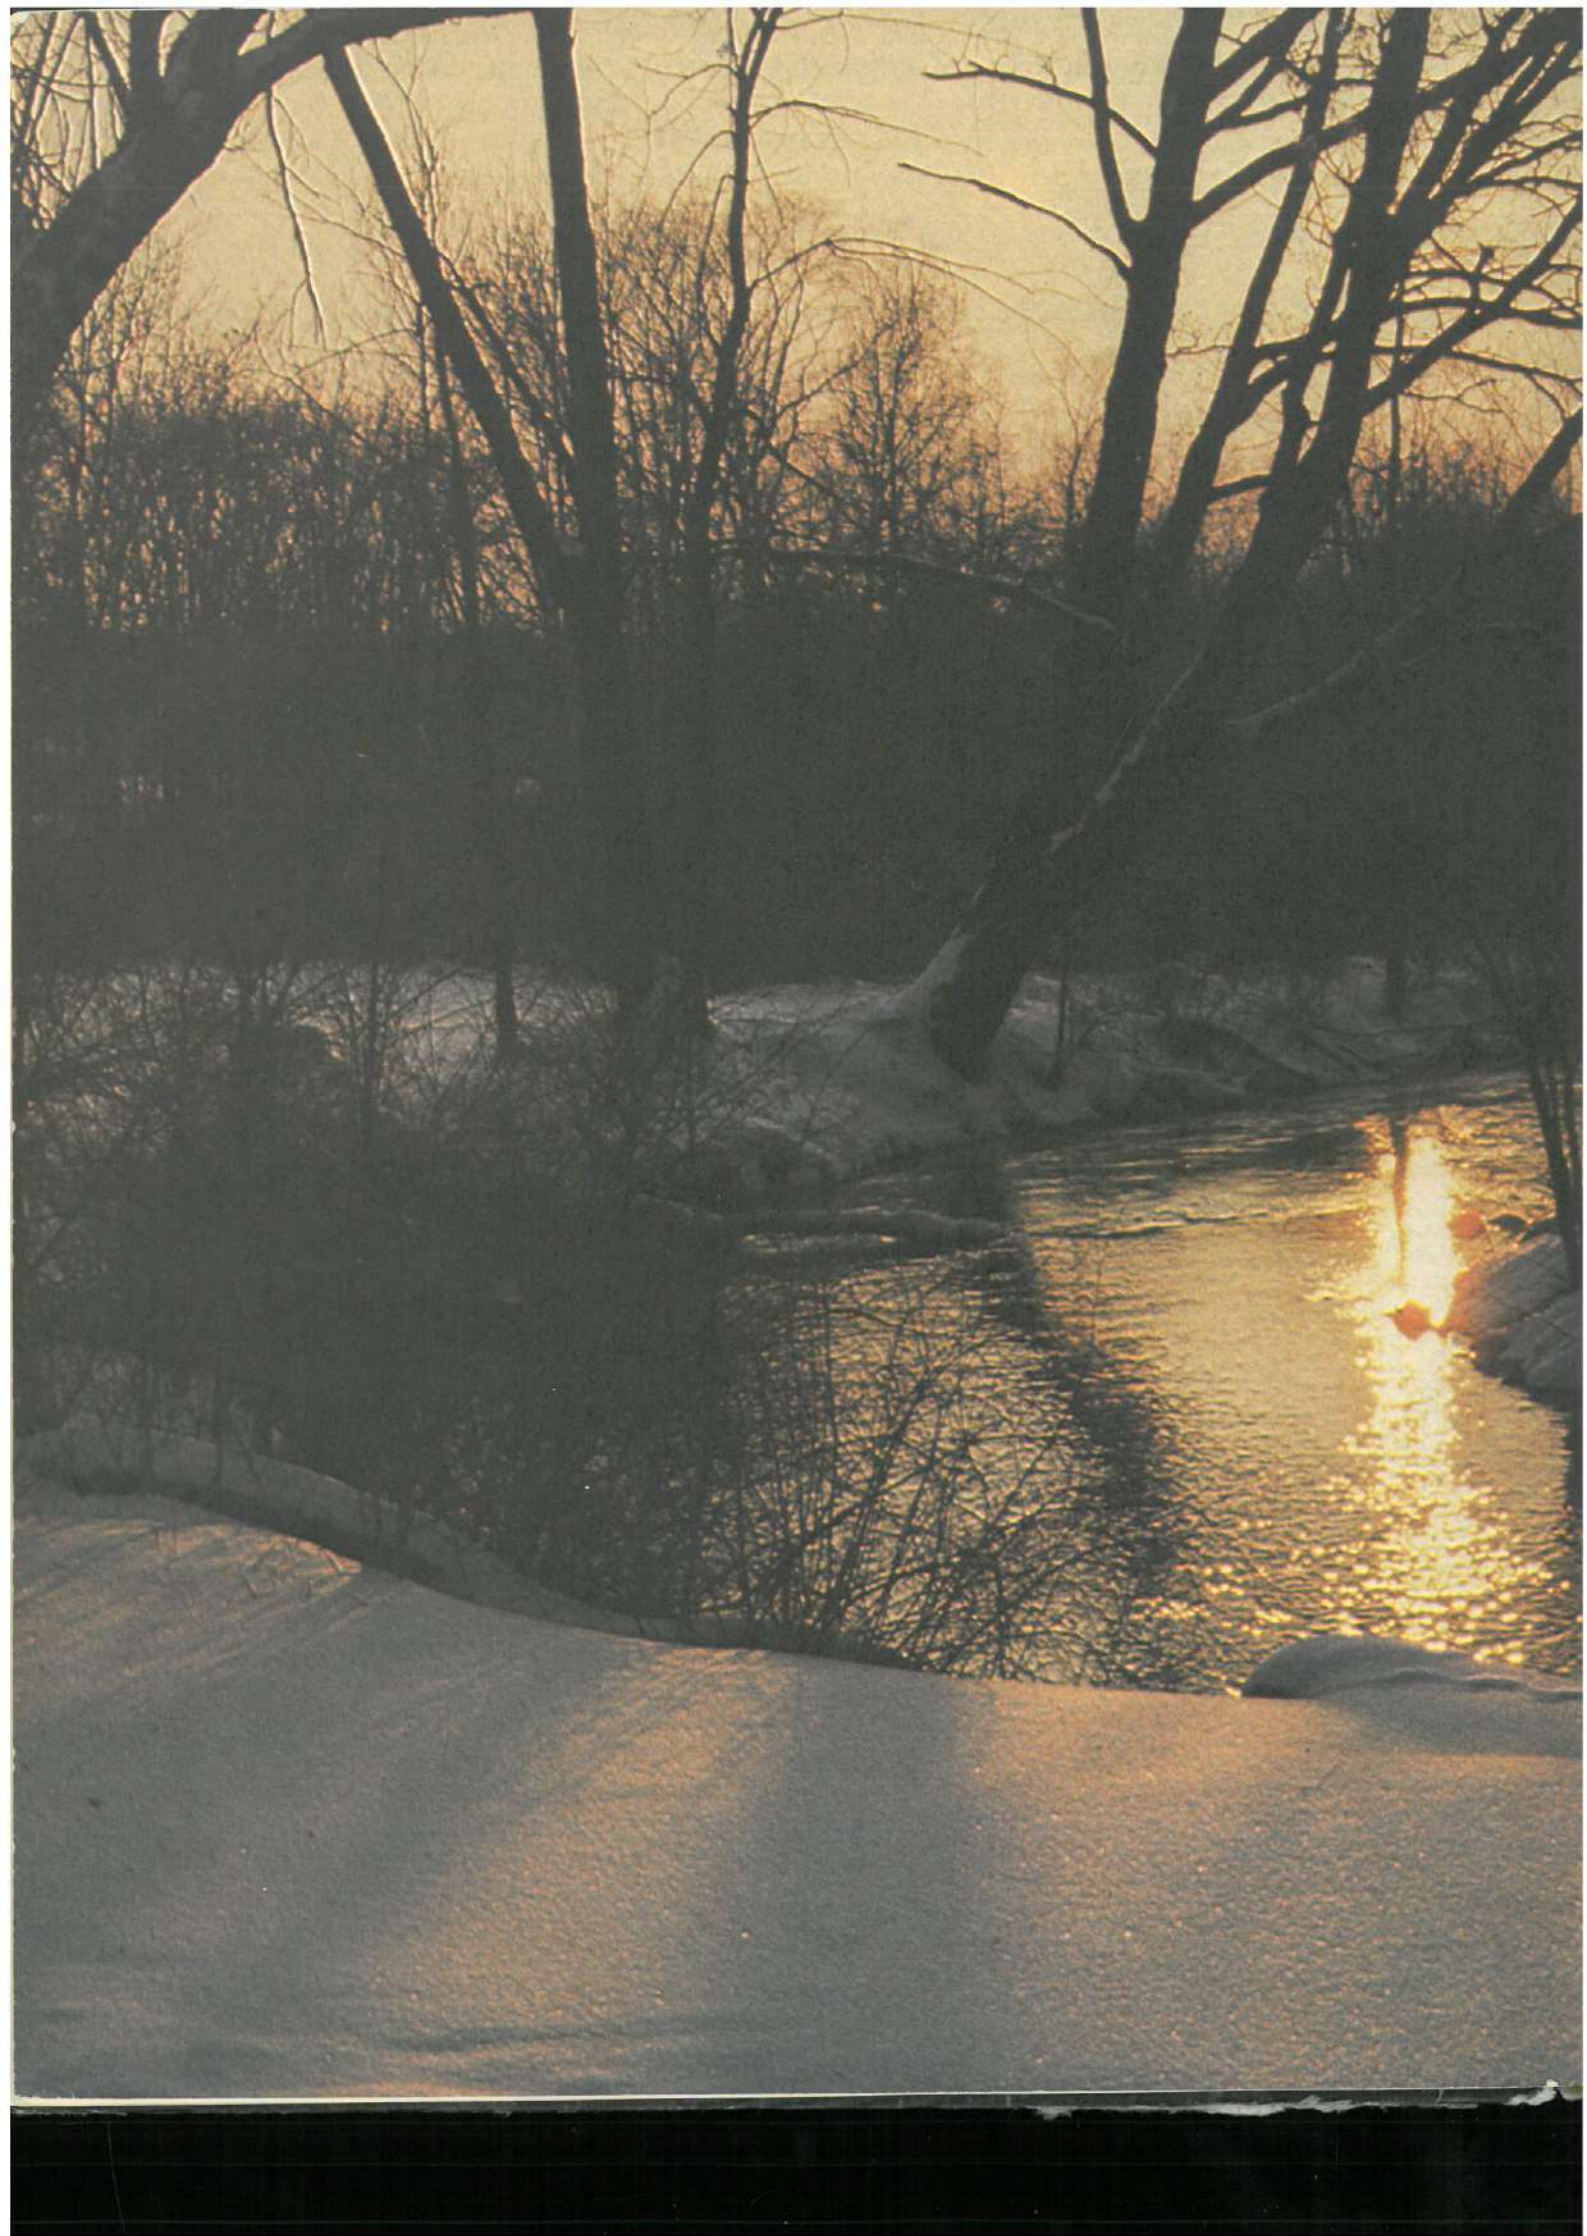

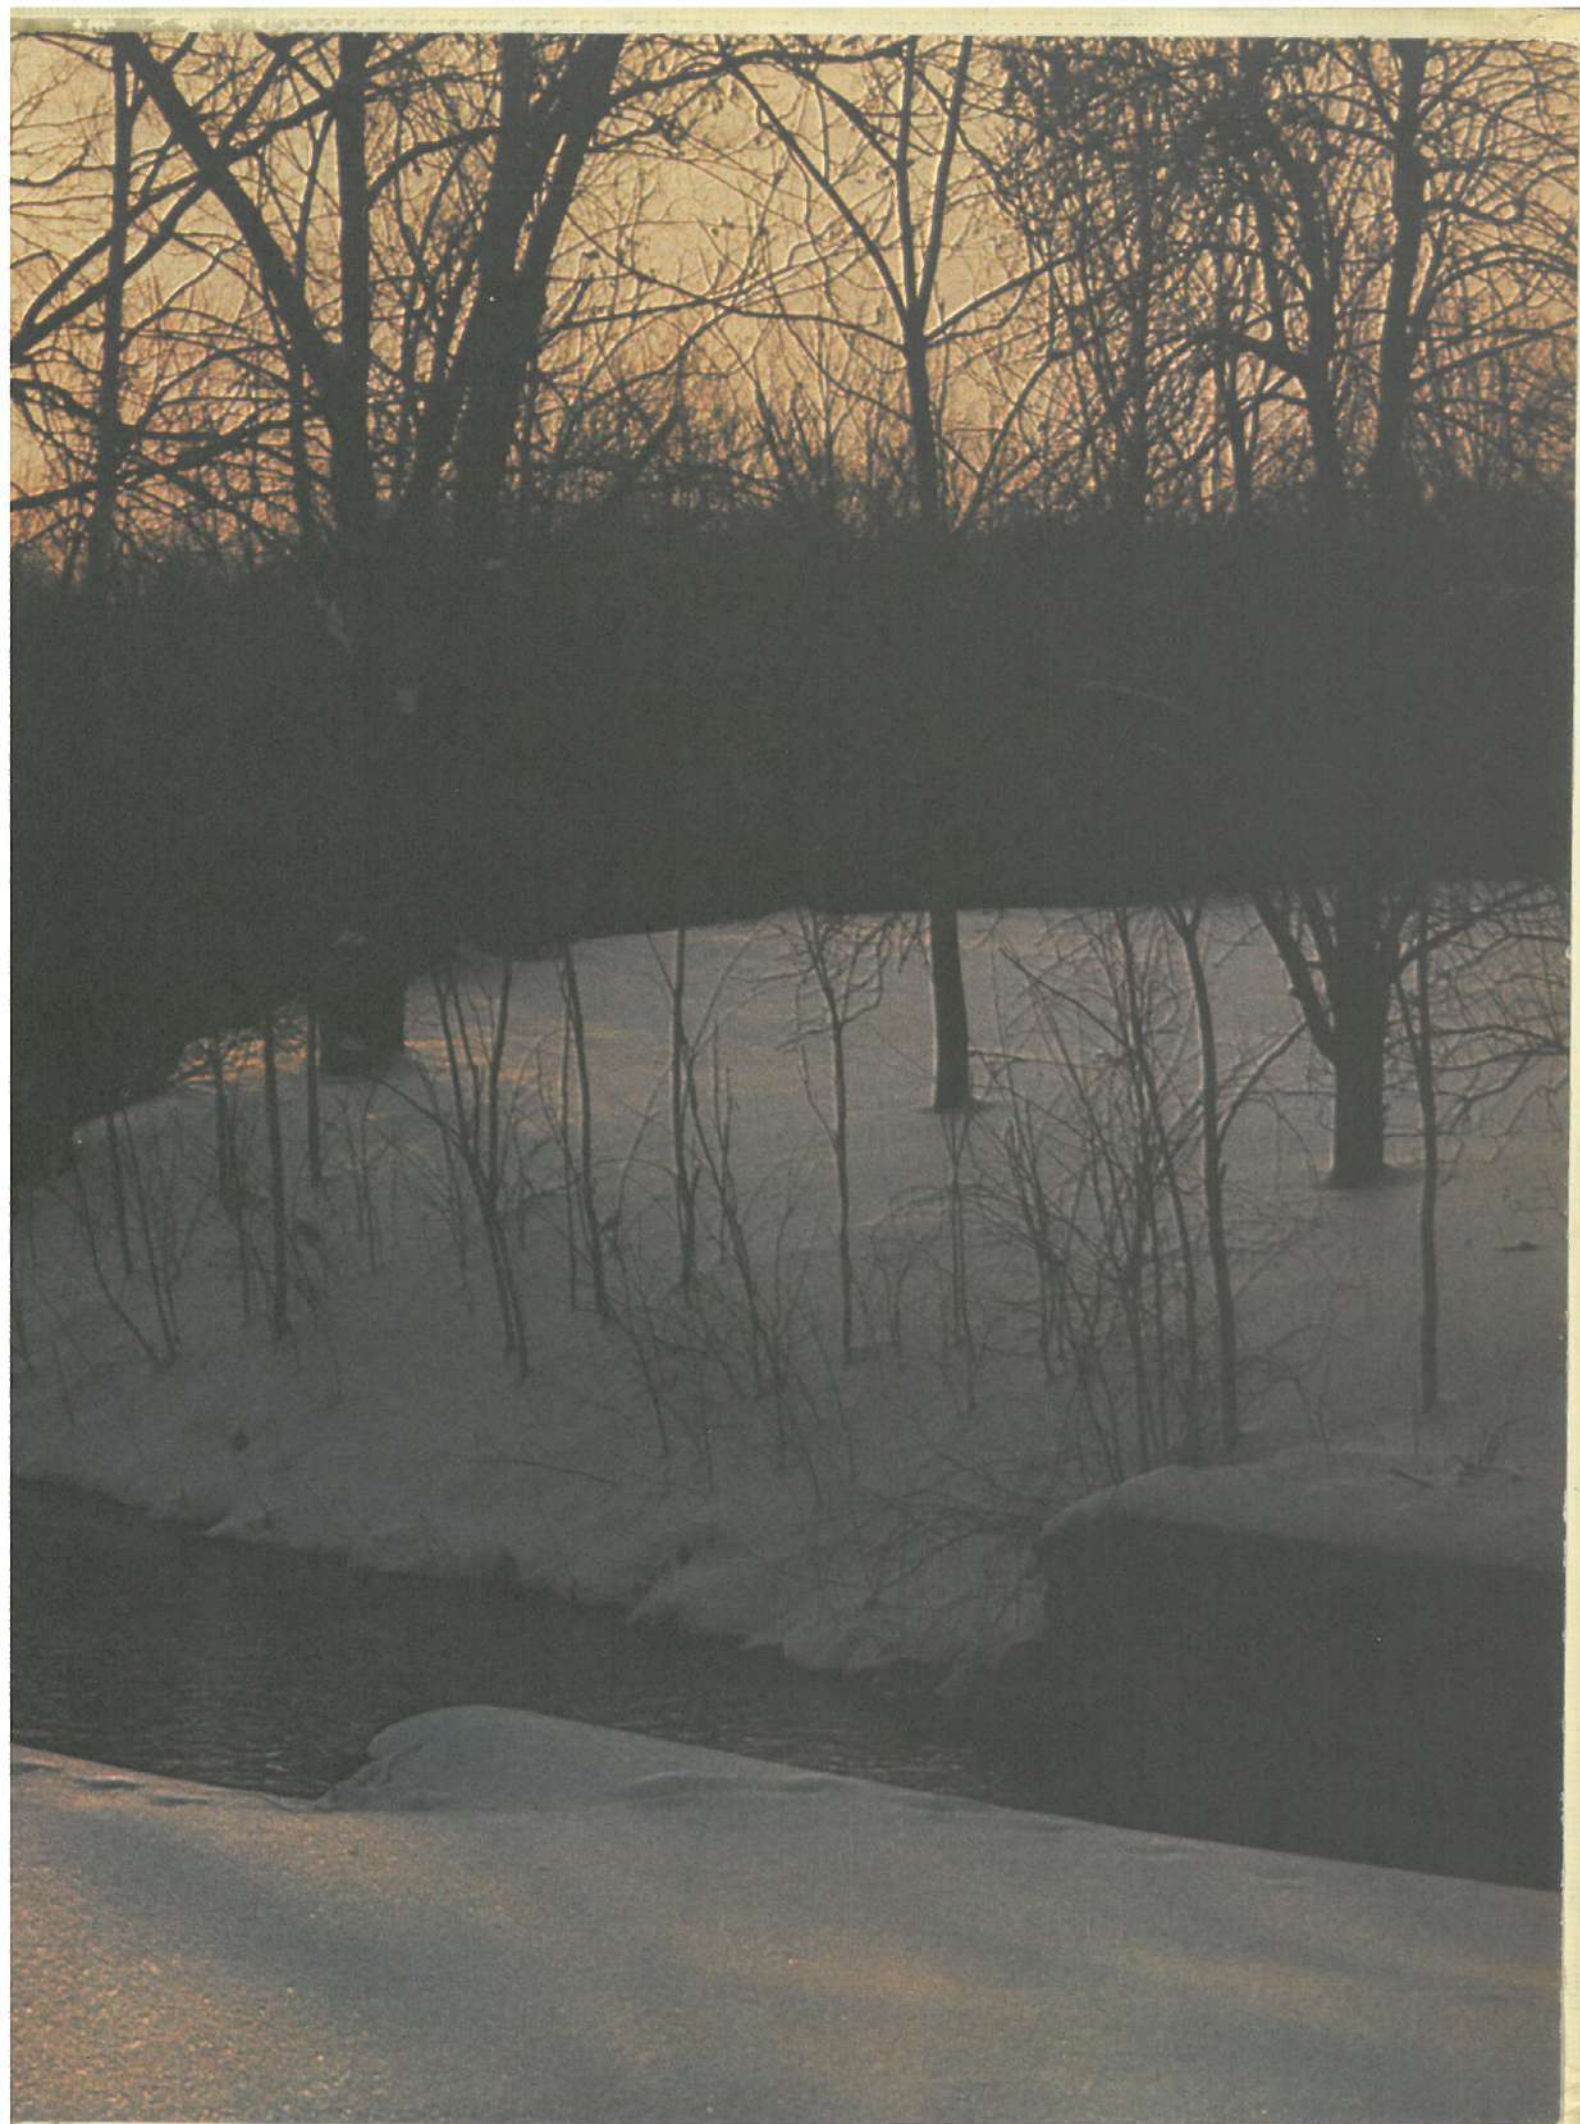

THE END

every holiday i remember
the one before
Sometimes a memory happens
when you're all alone
and to think how it feels
brings joy
And now, today, a new
memory is beginning
LOOK around
each face will fade
like a grain of sand in time
Tomorrow will become
a memory of Today
and ALL the thoughts
of times gone by become our
memories
