Dr. Bowditch,

You came by today to
see what our classroom
needed. My class responded-

B.E.
5th

Sept. 25, 1979

Dear Dr. J. Bowditch

I wish our class room were like this:

I would like that the class was
made of wood

a big room
with a class pool

The whole thing be made of glass and
carpeted floors and the shandelier
be a candy tree and the clock made
of chocolate so we can eat it and
the chalk be all different colors but
write white and flowered windows.

The sink of gold and silver water.

and instead of
studying etc candy

NEW VILLA
PROGRAM

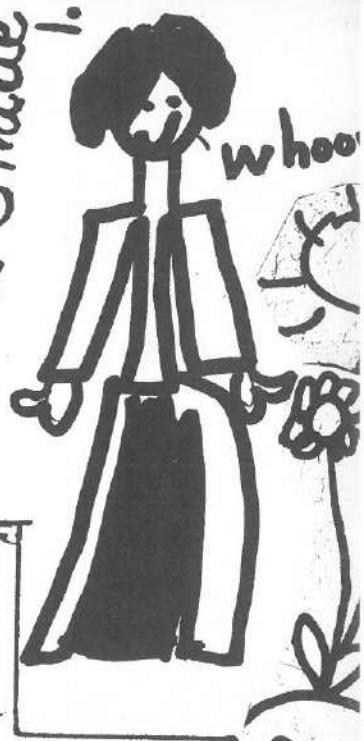

My favourite
Tv. program
is Happy days
with Fonzie.

Harla Gnade

If I were a fairy I
would make houses for
the lost children and their
mothers. Federico Sorvillo

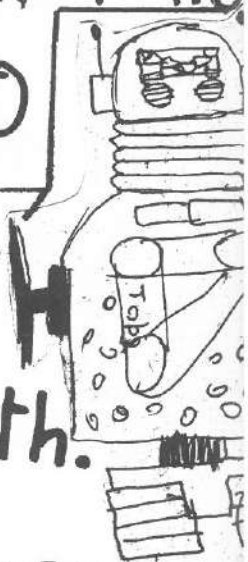

when animals die it makes me sad.

EMANUELE GAROSCI

The space dog

There was a space dog who lived on the earth.
But he was ~~was~~ very bored, so he decided to go
to mars. At mars there were no friends
left. They had gon to look for the space dog
So he had to go back to a strange planet
called earth.

Toby Sanders

Forest are full,
 with little elves,
 Hiding their nuts,
 in their huts.
 They are preparing for the winter.
 Oh, oh, the winter is bitter.
 Winter is coming,
 only the elves are aware,
 they continue to chant,
 beware for winter is near, beware.
 Finished are the autumn days,
 and birds fly away.

Caroline Pillsbury

When the Autumn leaves
 do fall
 with the nuts and all
 little seeds fall off the
 trees
 like little helicopters floating
 down
 Lots of birds migrate
 and the animals hibernate
 all nice and warm
 And the days are shorter
 and the leaves all look
 like gold.

Richard J. Halson

Fall
 In the Fall,
 all the leaves fall,
 many games start,
 and rain comes down,
 very frequently.

Luca Aspetto

The evenings are long,
 The leaves become brown,
 And they come down,
 The hour changes,
 Some birds fly away,
 Autumn is here to stay.

Alessandro Coccifero

In Autumn we play,
 in Autumn we are gay,
 I like Autumn because
 the leaves are colored red,
 and some animals go to bed.

Chiara Scassa

Autumn is nice, autumn is rice,
 Autumn is wild, with every child,
 Autumn has leaves,
 Autumn has trees,
 Autumn you dance,
 Autumn you prance.

Max Ibba

Poems by 4th grade

The leaves are falling,
 the flowers are breaking
 the boys are playing ball,
 the summer is gone,
 the ground is all yellow, red,
 and brown,
 it will be sad if you have to
 be in bed.

Monica Basso

Paolo Galletti

Autumn, Autumn, the
 leaves will flutter like
 a golden ball, fall
 is coming fall, a
 bark of a fog that
 thinks it is fall, a
 boy play's with his
 ball, and say's
 I't fall, it's fall.

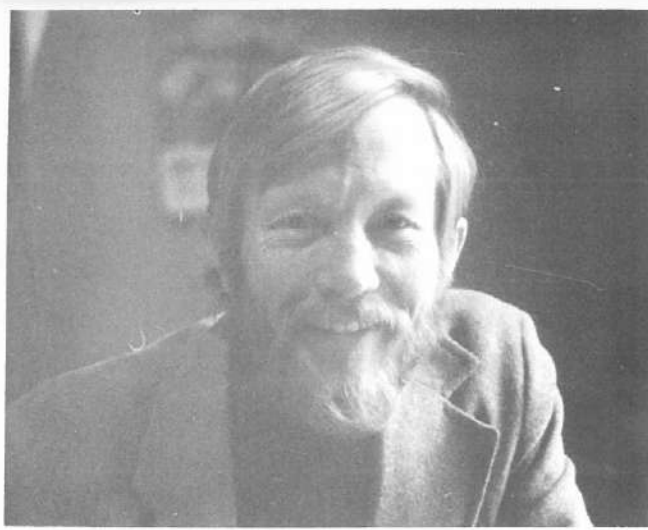

Laura Peinetti

Squirrels in Fall,
 go up in their trees,
 but not the birds,
 but not the bees.
 Squirrels in Autumn,
 have all their nuts ready,
 and are waiting for winter,
 very steady.
 Squirrels in Autumn hibernate,
 like the bear,
 like the hares.

Chiara Scassa

My garden is full of gold
 leaves, I can see people
 running in the street,
 and the rain coming down,
 I can hear the sound of
 the leaves and the wind blowing,
 the birds went away and the hour
 changes,
 it's cool when I go
 to school.

SANGUINETI

Una grande industria per la sicurezza.

Nata nel 1972, la Sabelt è oggi azienda leader nel settore delle cinture di sicurezza. Alle officine di produzione si affianca adesso uno speciale impianto - tra i pochissimi in Europa - per prove dinamiche delle cinture di sicurezza, in sede di progettazione di

nuovi tipi, omologazione, controllo di qualità. Sulle basi della vastissima esperienza Britax e attraverso un costante contatto con le fabbriche produttrici di automobili, la Sabelt ha così portato avanti le linee del suo sviluppo,

approfondito e perfezionato le sue concezioni tecniche e produttive, avvalendosi anche del contributo prezioso che nel campo delle cinture di sicurezza proviene dall'attività sportiva.
