To give is to receive - is the law of love. Under this law, when we give our love away to others we gain, and what we give we simultaneously receive. The law of love is based on abundance; we are completely filled with love all the time, and our supply is always full and running over. When we give our love unconditionally to other with no expectations of return, the love within us extends, expands and joins. So by giving our love away, we increase the love within us and everyone gains.

Dawn MURRAY

Time is ...

Too slow for those who wait

Too swift for those who fear

Too long for those who grieve

Too short for those who rejoice

But for those who love,

time is Eternity. (anonymous)

Don't walk in front of me,

I may not follow.

Don't walk behind me,

I may not lead.

Walk beside me

and just be my friend.

Vicky PALMARO

We need to feel more
to understand others.
We need to love more
to be loved back.
We need to cry more
to cleanse ourselves.
We need to laugh more
to enjoy ourselves.
We need to see more
other than our own little fantasies.
We need to hear more
and listen to the needs of the others.
We need to give more
and own less.
We need to look more and realize
that we are not so different from
one another.
We need to create a world
where all can peacefully
live the life they choose.

And here you are asleep,
and your head is on my shoulder,

And your hands still holding mine
and your heart still opens wide
and my love.

Whenever you might need it.

THE SUFFERING OF MANY AFRICANS

(Luca Buscaglione)

I was brought away from my land,
from the African sand,
from my wife and from my father,
from my son and my mother,
and I will never again see
my house near the sea;
I thought that I wouldn't stay long,

but now I know that is wrong.
After travelling on the sea,
we arrived in a land where they sold me.
Now I am working very much,
like an animal should do such;
I am waiting my end,
when on the work my body will bend.

DIFFERENT

Not to say what everyone else was saying
not to believe what everyone else believed
not to do what everybody did
then to refute what everyone else was saying
then to disprove what everyone else believed
then to deprecate what everybody did,

THE FLY

Little fly,
Thy summer's play
My thoughtless hand
Has brushed away.

Am I not
A fly like thee?
Or art thou not
A man like me?

For I dance,
And drink, and sing,
Till some blind hand
Shall brush my wing.

If thought is life
And strenght and breath,
And the want
Of thought is death;

Then am I
A happy fly,
If I live
Or if I die.
(W. Blake)
