ACADEMICS

GIOVANNI AMATEIS

Don't live today for tomorrow
like you were immortal.
The only survivors
on this world of ours are
the warming sun,
the cooling rain,
the snowflake drifting
on the breath of the breeze,
the lightning bolt
that frees the sky for you
yet only eagles seem
to pass on through.

Genesis

CONSUELO BRIGNONE

It seems yesterday, yet it is already today;
No regrets, only time that wastes away.
But I'm here waiting for something that's
still mine:
It's TOMORROW which hasn't yet gone
by...

DON'T QUIT!

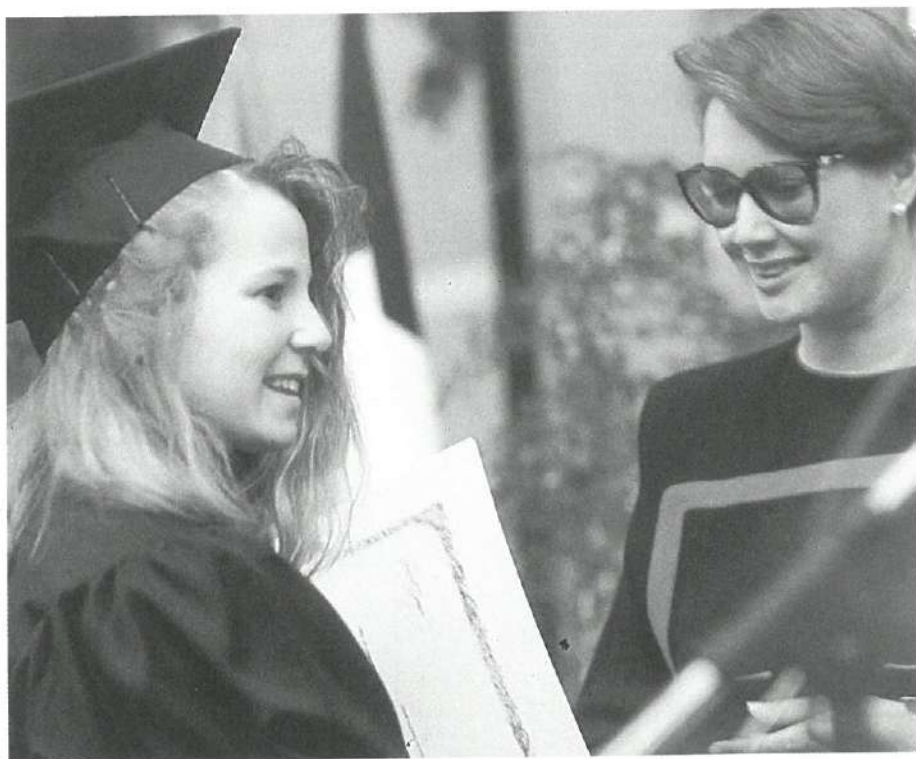

When things go wrong, as they sometimes will,
When the road you're trudging seems all up hill,
When the funds are low, and the debts are high,
And you want to smile, but you have to sigh,
When care is pressing you down a bit,
Rest if you must, but don't you quit!

Life is queer with its twists and turns,
As everyone of us sometimes learns,
And many a failure turns about,
When he might have won had he stuck it out.
Don't give up though the pace seems slow,
You may succeed with another blow.

Success is failure turned inside out,
The silver tint of the clouds of doubt.
And you never can tell how close you are,
It may be near when it seems so far.
It's when things seem worse,
That you must not quit!

MICHELLE PIRAS

Some people come into our lives and quickly go
Some stay for a while and leave footprints on
our hearts and we are never, ever the same.

GRAZIELLA POCHETTINO

Did you ever have
a secret yearning?
Don't you know
it could come true?
Now's the time
to set wheels turning
To open up
your life for you
Make it real,
not fantasy.

Scorpions

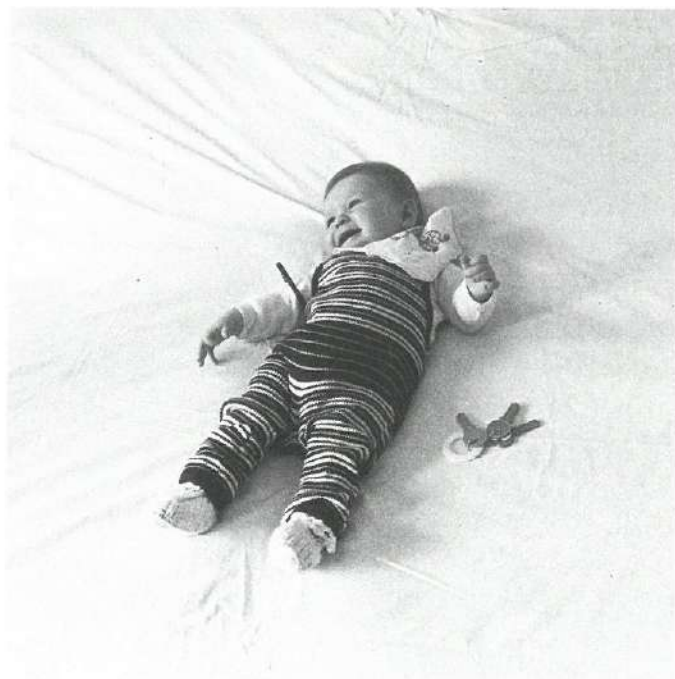

SUSY SCARDOCCHIA

"I'm a child at this age
locked into the pages of your book,
and when I am but dust and clay
and all the children stop
to take a look,
will they marvel at the miracles
I did perform and
at the heights I did aspire
or will they tear out
the pages of the book
to light a fire?"

Johnny Cash, "The Singer"

"Ma che bella mattina
il cielo è sereno..."

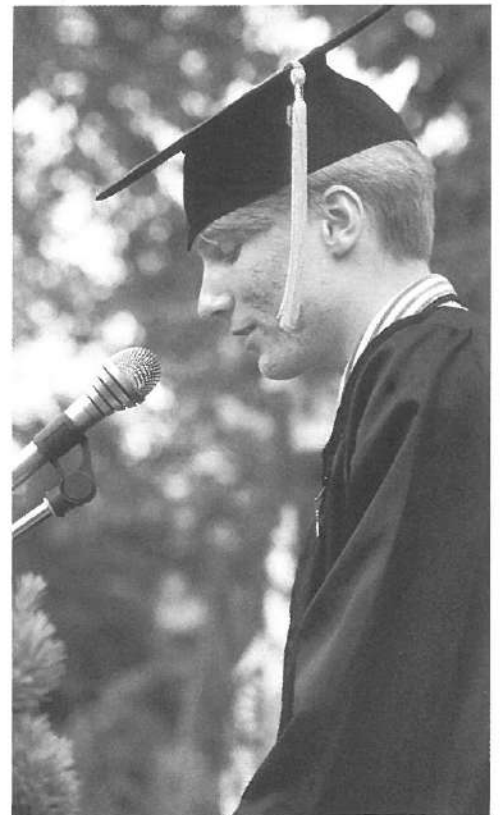

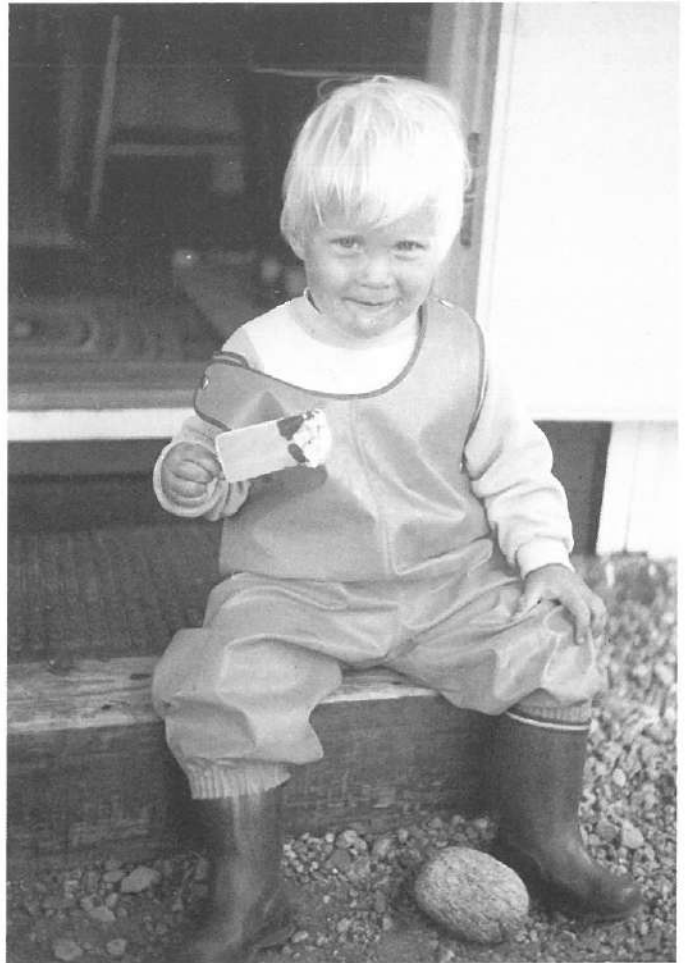

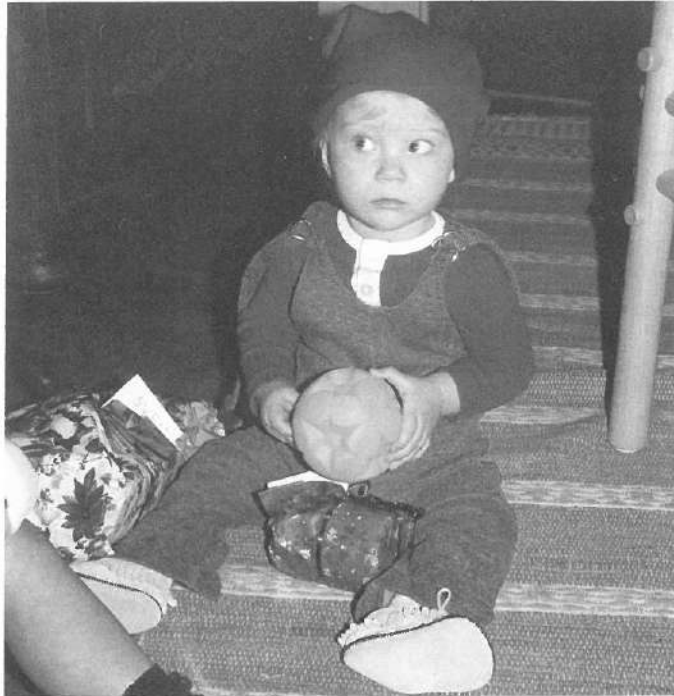

Dalla

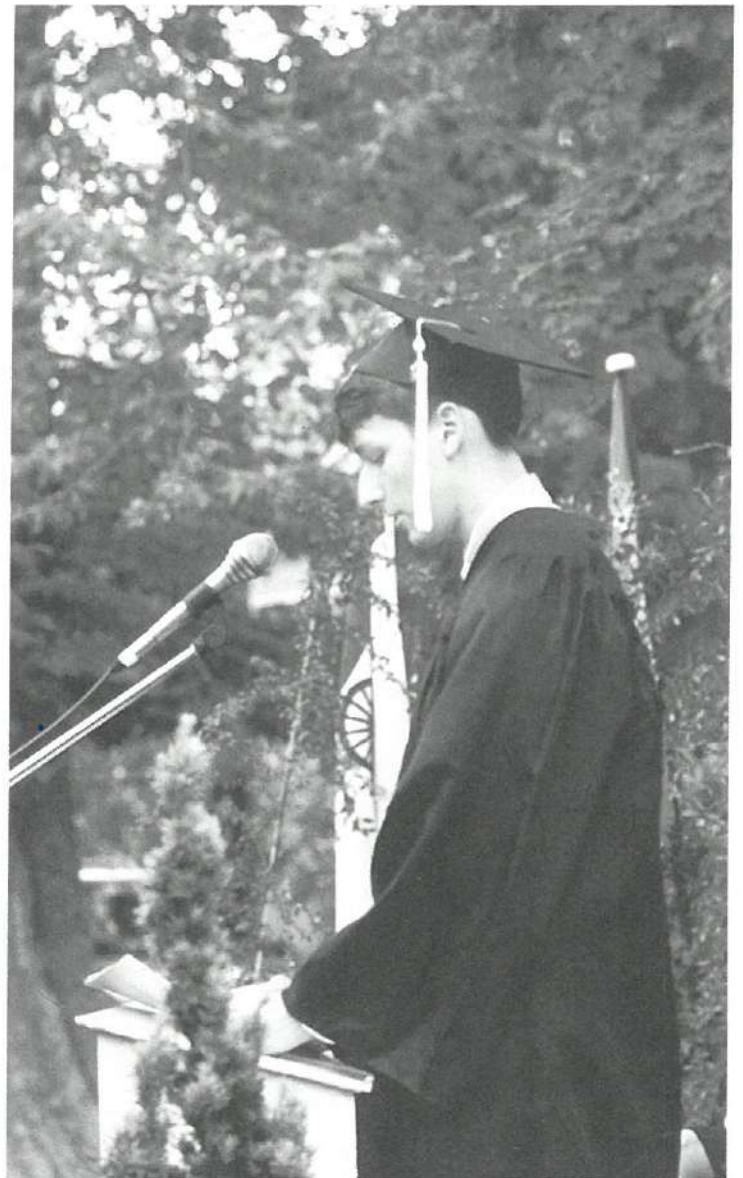

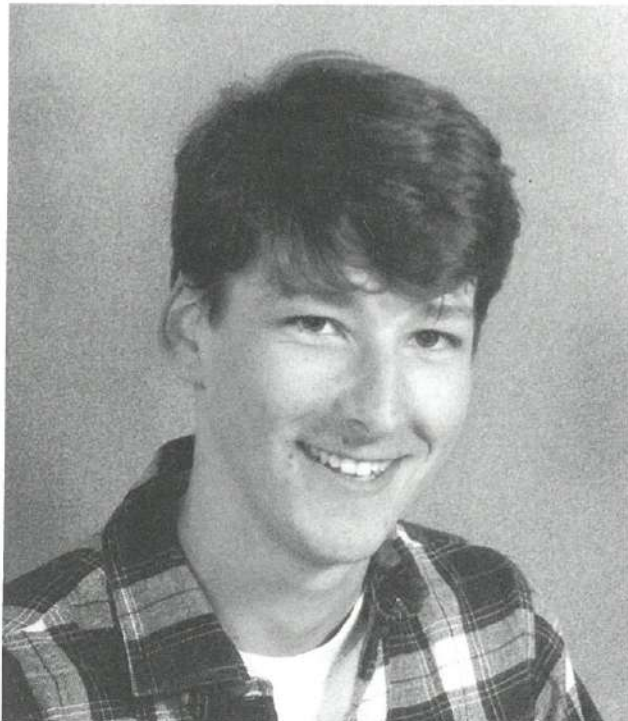

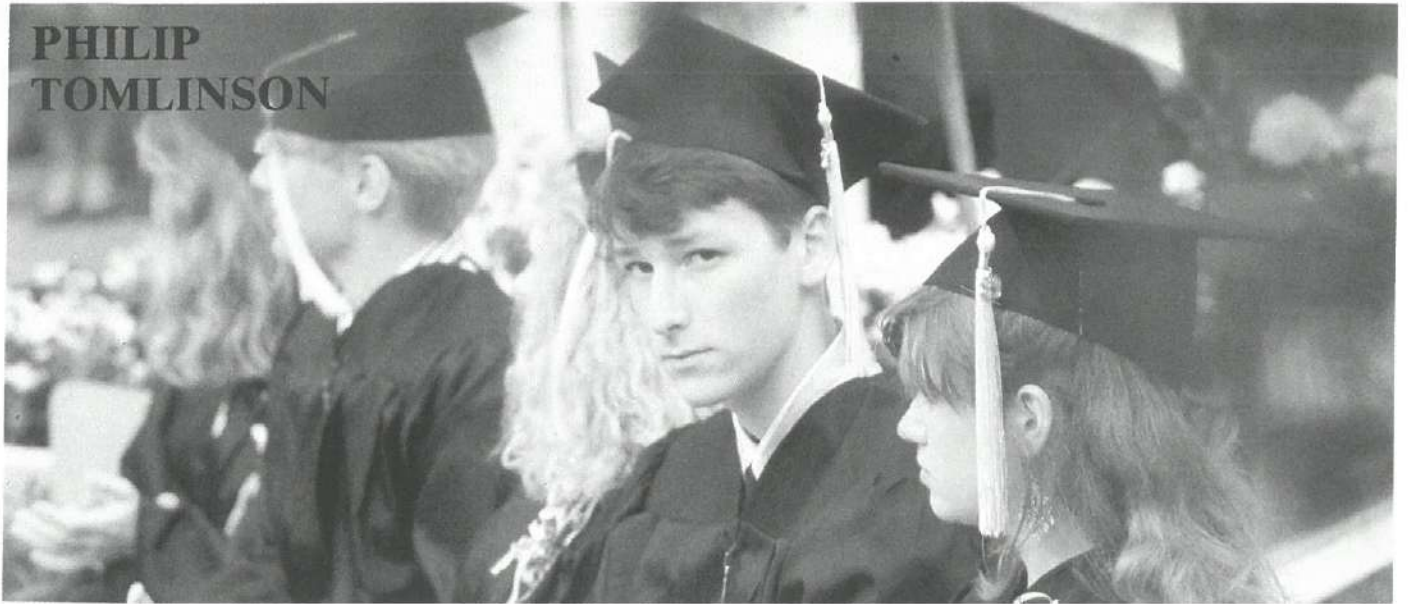

SVEN STUREGARD

Only as high as I reach can I grow,
Only as far as I seek can I go,
Only as deep as I look can I see,
Only as much as I dream can I be.

Hiking at Gran Paradiso: Intensive Physical Education I.

Mountaineer "Graz." provides first aid on the rocks.

Some hikers arrived at the half-way mark and stayed there.

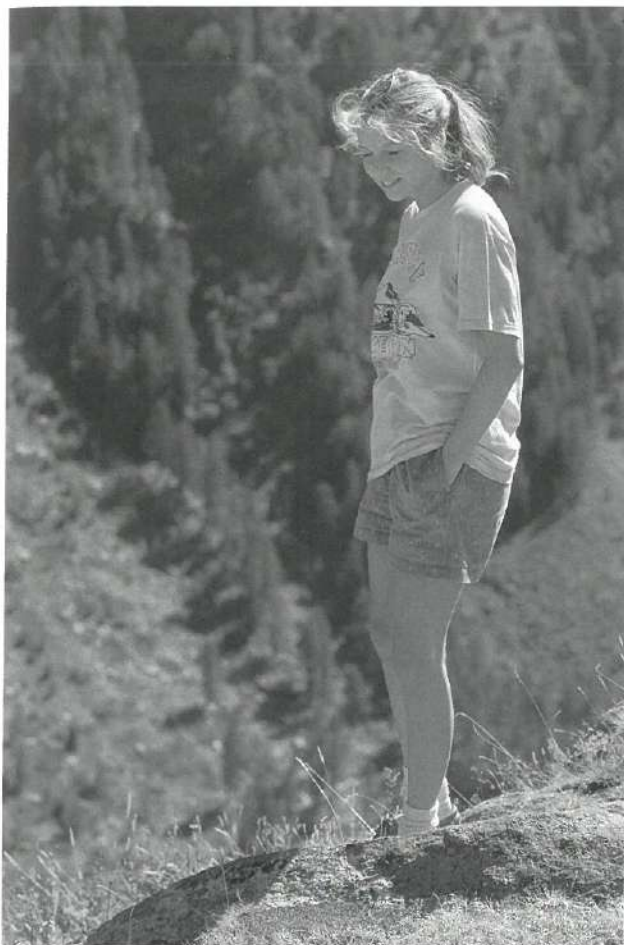

... and then others did the same...

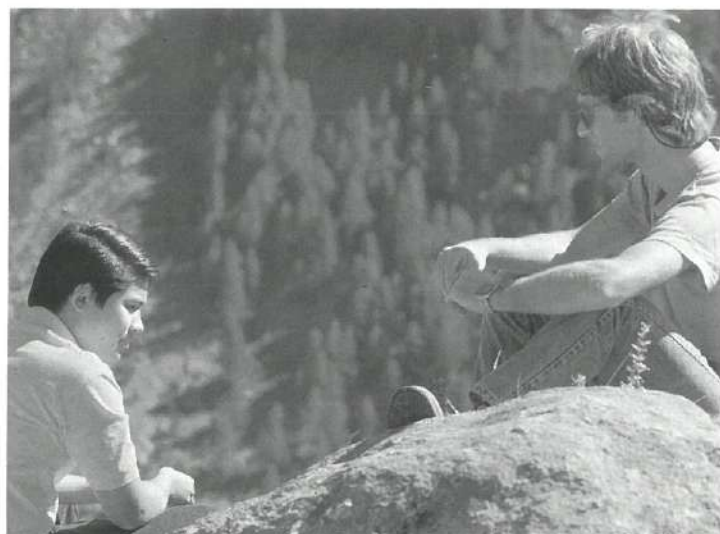

... and others...

... etc.

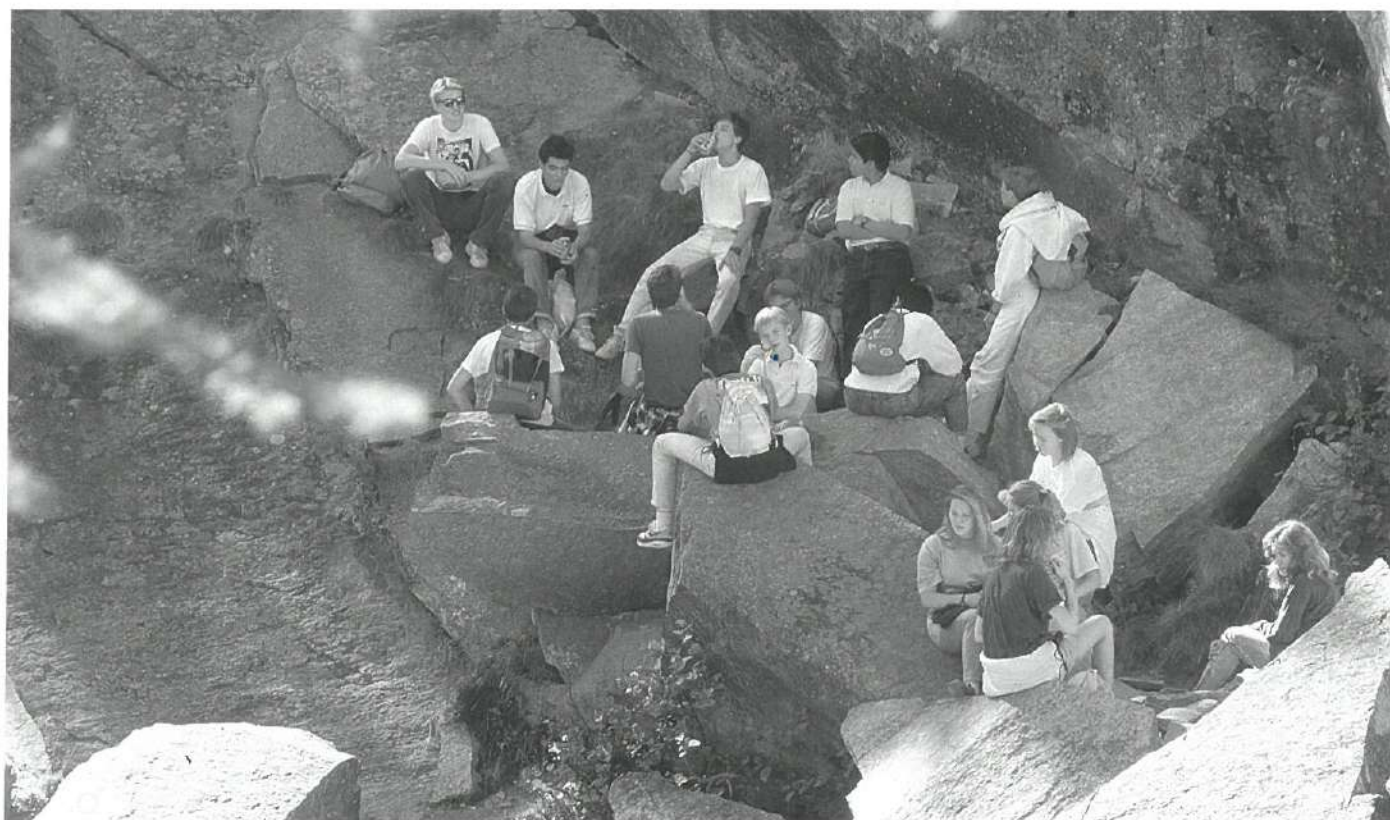

Gran Paradiso offers a spectacular setting for quiet reflection...

... casual conversation...

... independent wandering...

or just simple mingling with friends.

CROSS Country Skiing at Champoluc or "Intensive Physical Education" II.

Some skied

... others didn't.

Some sledged...

... others didn't.

Some simply enjoyed nature...

... and so did the others.

**Pecetto Cup:
ACAT 3 - Pecetto 4**

Alessandro works the ball down the sidelines.

Claes out-maneuvering a formidable defense.

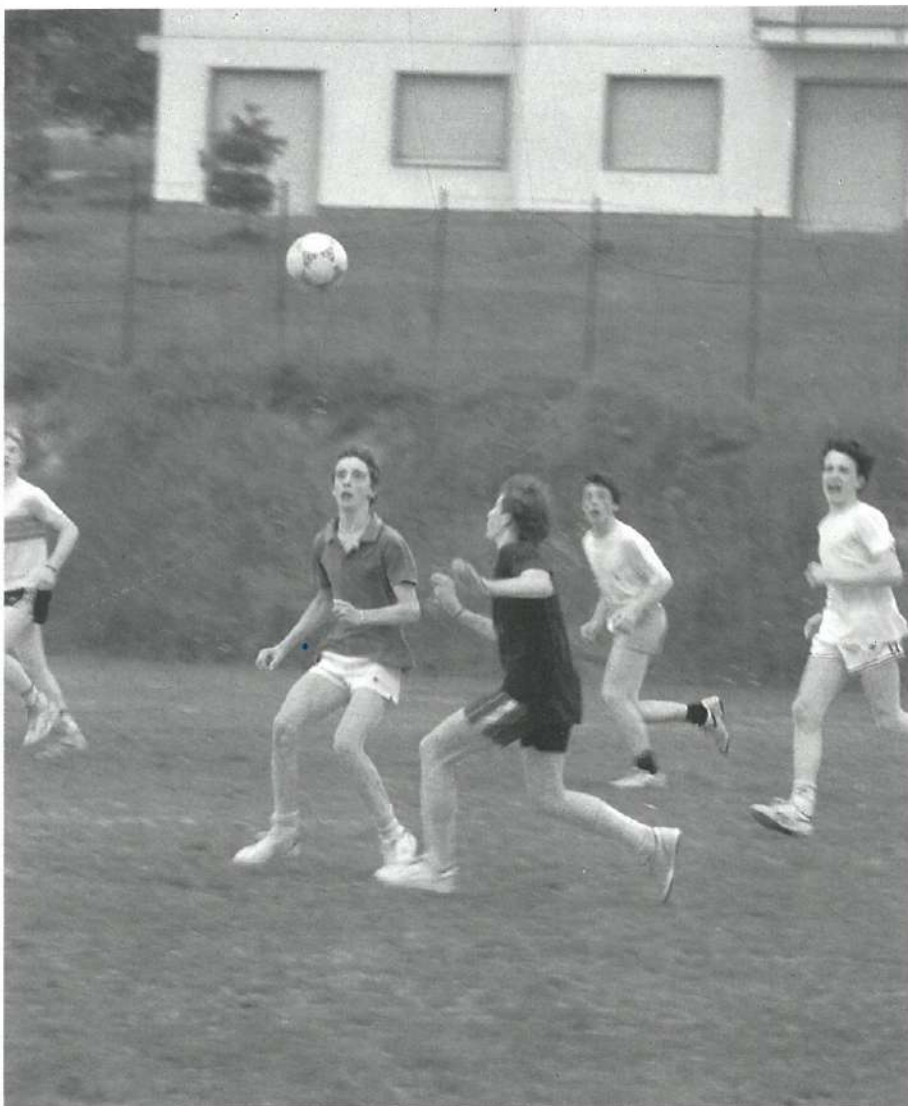

An exuberant Pecetto team dominated the game...

Charging through the center, Luca scores.

Alessandro holding off Pecetto's offense

... despite ACAT'S last period rally.

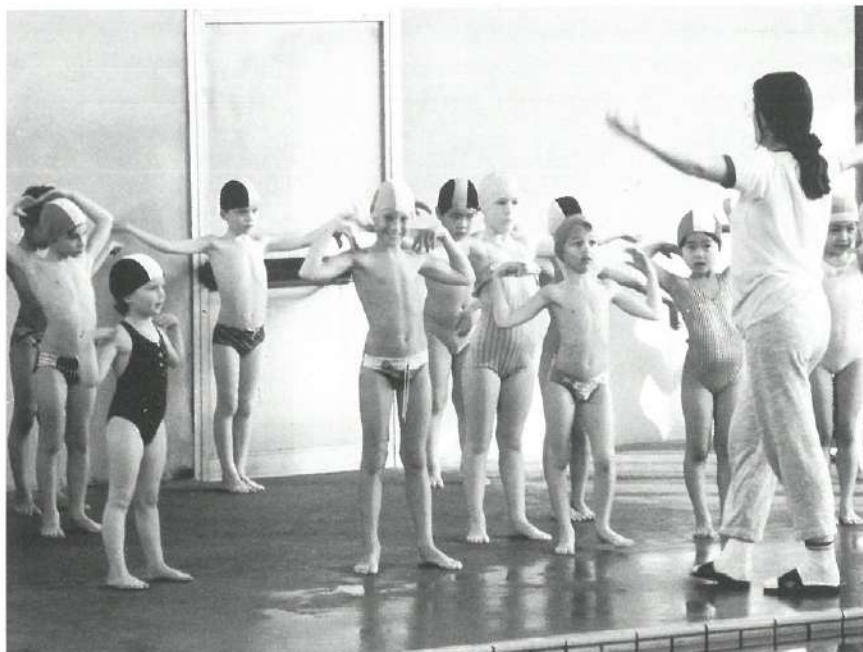

Activities

SWIMMING: the Elementary Sport.

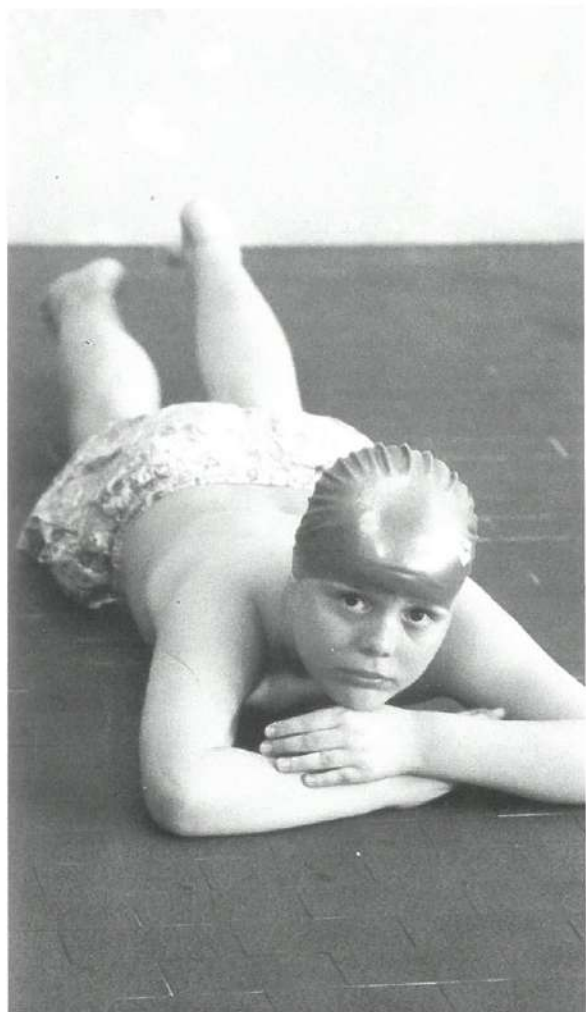

Late but eager, Eliana runs to the pre-pool exercises.

With varied success, ACAT's Dolphins follow the INSTRUCTOR's example.

We do plenty of exercises, but then we swim better.

"I get plenty of rest and I still swim better".

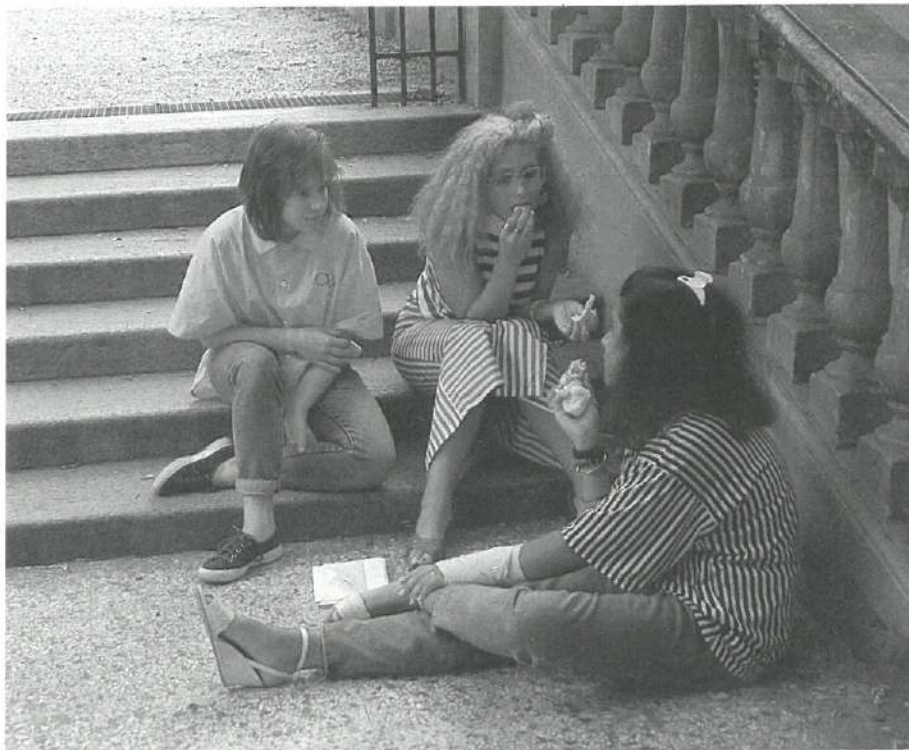

Guess who is fed up with the pre-swim exercises.

BARBEQUE - Burgers, bags, balloons...
Once again, a pleasant and relaxing day, thanks once again to Teresa and Alise.

Without Teresa and Alise there would be fewer barbecues at ACAT

Part of the barbecue fun is in the eating.

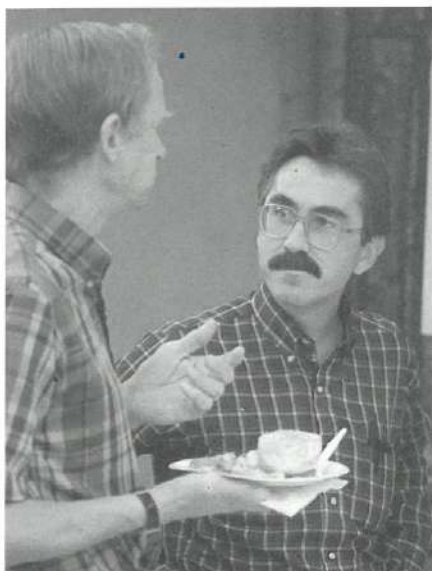

Jump for quick digestion

58

Lorenzo edges into the lead to win the relay.

Barbecues are good even for teachers.

Emanuela whets her appetite with a sprint.

HALLOWEEN: The Return of the Spookhouse
Screams of fear and laughter filled ACAT as people marvelled at the thrills of the Spookhouse and at the surprise-filled eyes of onlookers.

Halloween is a good test of our friendly relations with Roddolo.

Let me tell you about this new diet...

An uneasy lineup of spook house visitors receives encouragement from "good witch" Anna

A sign of hope on a fearful day.

Some of the nice folks working at the spookhouse.

THANKSGIVING DINNER - The Acat way to share a turkey Food and laughter were plentiful at Acat's international version of the traditional Thanksgiving dinner. Thanks to the PTC everyone had an excellent meal.

Turkey in a bottle?

A volunteer mother serves voluntary eaters.

Hisham and his family enjoy the annual get-together.

Satisfied with a full meal, one can now look forward to other places and other times.

Mr. Savio recuperates after a long, hard day.

Thanksgiving is a particularly fitting occasion for sharing.

A meal should be enjoyed not endured.

At our Thanksgiving visit to the orphanage, Mrs. Batey helps organize the games...

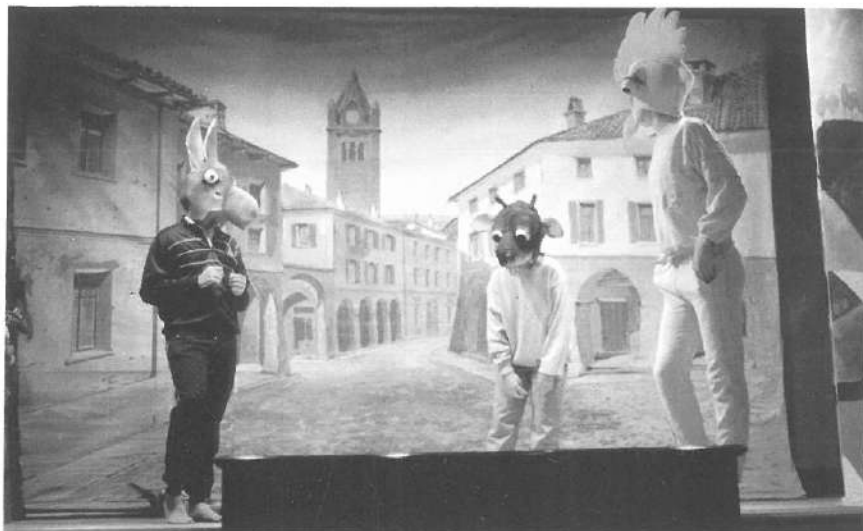

as Luca balances an airy turkey...

... and Emanuela transports mini-pilgrims to the starting line.

CHRISTMAS - A joyous time of sharing we Acat students took a break from our hard work and welcomed Christmas vacation with a fun and carefree escape to the Ristorante Castello. While we enjoyed the tasty menu, we laughed at the amusing sketches and reflected on our other relaxing Christmas activities.

The High School students present a Christmas allegory to the residents of Ville Roddolo.

A Christmas mouse must have its own merry little Christmas.

After the annual Christmas dinner, students and teachers enjoy entertaining class skits.

The frolicsome return of the Malone's!!!

Daniel proposes a few extras on his gift list...

... as Santa passes on a seasonal "bacino" to Claudia.

We can sing too!

"Jingle bells, jingle bells, jingle all the way..."

Santa's hats: the new fashion.

"And to all... a Merry Christmas!"

ELEMENTARY ACTIVITIES

The Third Grade
"Olympics" As an extension
of their studies of Greece,
the third graders turned the
garden in to a stadium and
presented their own
interpretation of the
Olympic games.

A good Spartan never loses his toga.

The discobolus probably didn't use a lasso.

Filippo takes an early lead in the 50 yard dash.

A good throw of the Javelin finishes this Olympian's day.

Fourth graders proudly display the results of their studies on medieval castles.

Emiliano points out the defense system of his castle to interested 9th graders.

Mrs. Mc Kenzie adds the final touch.

Big screen entertainment thrills a group of enthusiastic groundlings.

Wicked the Wizard creates a magical spell.

A "Wild West" skit wraps up the 4th grade program for this year.

EASTER PARADE: a hatful of fun.

La Revolution c'est moi!

A touch of class!

A visit to our elderly neighbors pays off in chocolate.

The Big Bonnet Special!

EASTER PARADE - The Top Easter Hits of '89

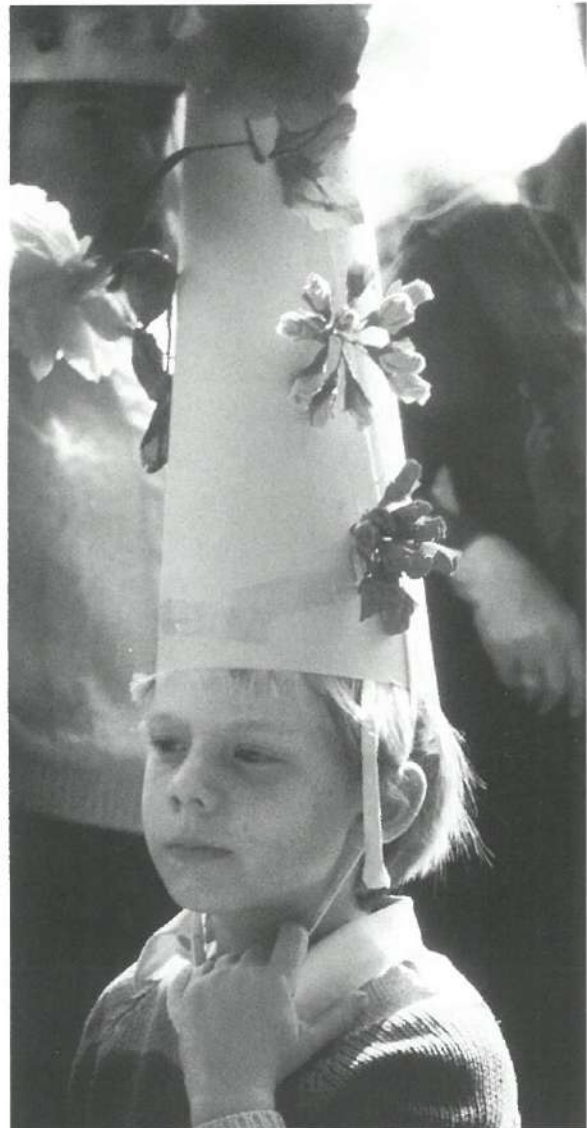

The Eggs 'n' Chicks number

The Tato Special

A fashion parade to Roddolo.

I tend to get a lot taller around Eastertime.

STRACAT: There's more than one way to live it:

The Stracat race is not the easiest course. But that depends on your pace!

Some like to sprint...

... others to stroll...

... still others to drink...

... others to sleep...

while some try to win!

STRAFAIR: the fun after the race

This year's Strafair was full of games and food and drink, and of course, fun. Thanks to the PTC for another success.

Some fish just don't bite.

Just jousting around...

An unexpected shower after a hot run.

A STRA - Thanks to the PTC for its efforts on behalf of the school.

CAKE DAY - the day
to say "yum"!!

Butter, flour, eggs... what is
YOUR recipe?
Keep it secret and you might
win this contest next year!

One half for me, the other half for you...

But there used to be at least ten more cakes!

Anxious participants await the results.

It takes great concentration to cut a cake.

Egg Day: Contraptions sunny side up please!

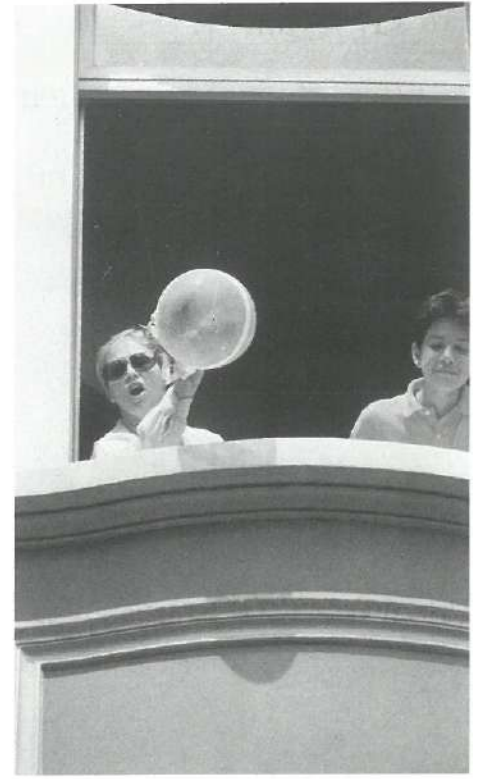

straws, string, elastics, balloons, and, of course, eggs all come together in the strangest contraptions designed by ACAT's junior engineers to defy the laws of physics... sometimes.

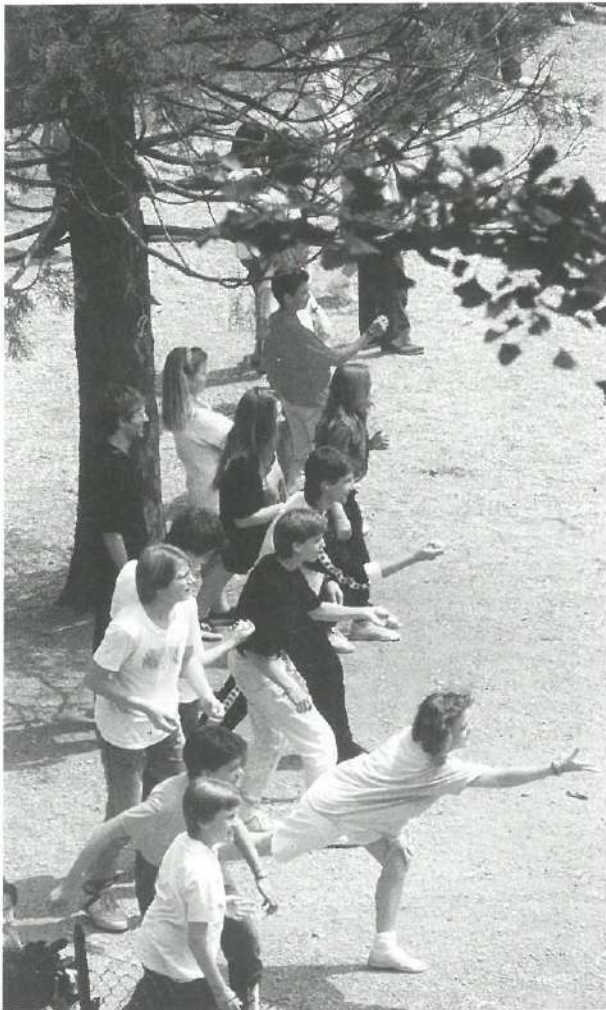

Mr. Werner, the chief Engineer.

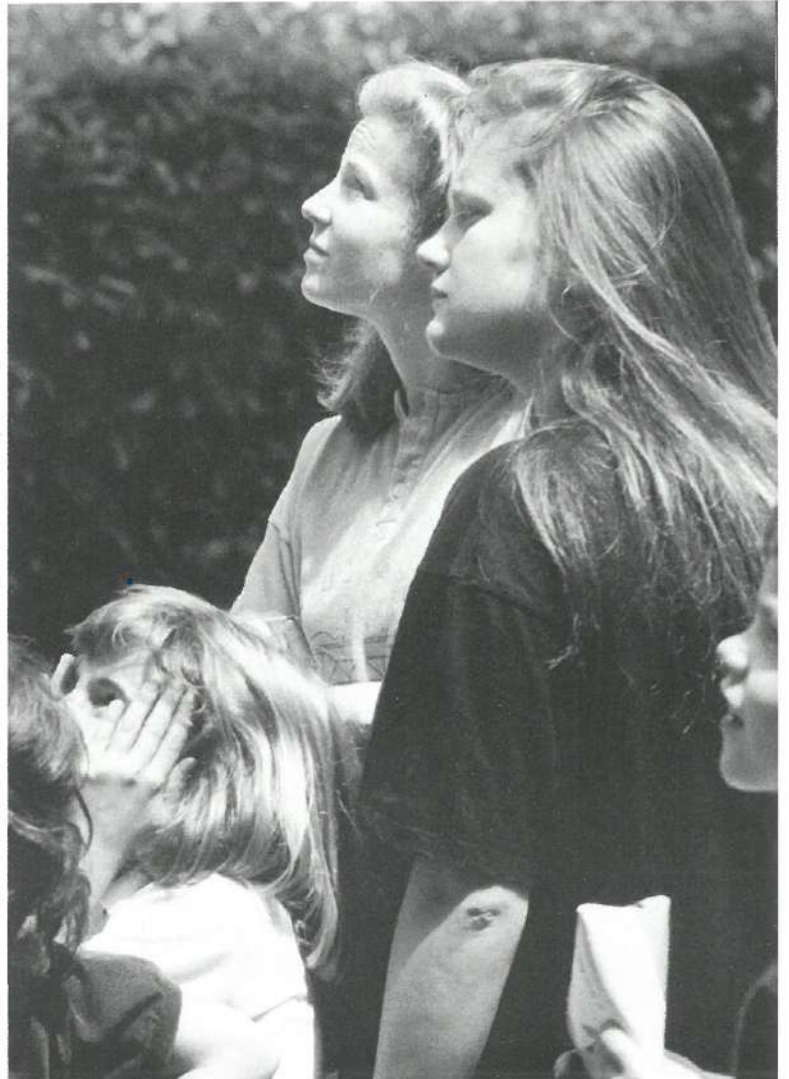

Mr. Lilak, the balcony Judge.

Mrs. Shar, the second story Judge.

A long distance egg exchange.

Anxious spectators await the outcome.

**ELEMENTARY
PLAYS: Peter Rabbit, a
Second Grade Special Event.**

A cue from Ms. Thornton starts the action.

Peter consults with his feathered protector.

The 2nd Grade cast of "animals" presents Peter Rabbit.

The Farmer!

The cat!!

Little bunnies have big ears.

ELEMENTARY FIELD TRIPS

The Third Grade discovers Roman Aosta.

Medieval castle studies at Issogne for the 4th Grade.

A proud display of Cortona heraldry projects.

On the run, Ben jousts a Saracen at Cortona.

Curious fourthgraders take a close look at modern art in Cortona.

ACAT - ting around

The hills of Fiesole are no match for ACAT soccer enthusiasts.

Michelangelo's David survives an ACAT inspection.

9th Grade scholars meet the Renaissance with mixed reactions.

What are good friends for?

A break at the Bobolj gardens.

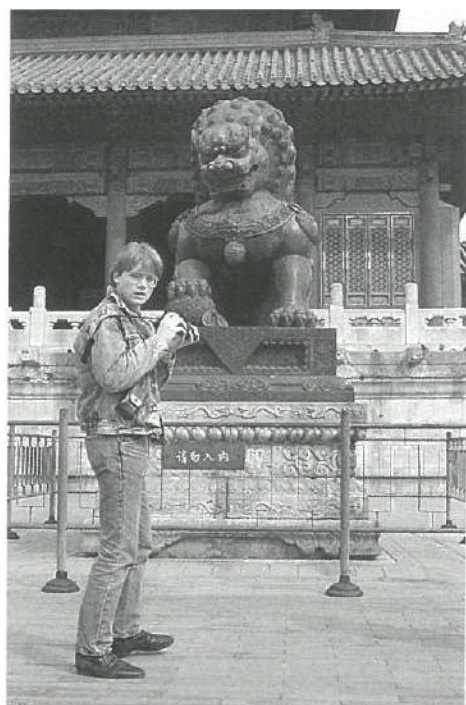

A moment of rest after a visit at Experimenta.

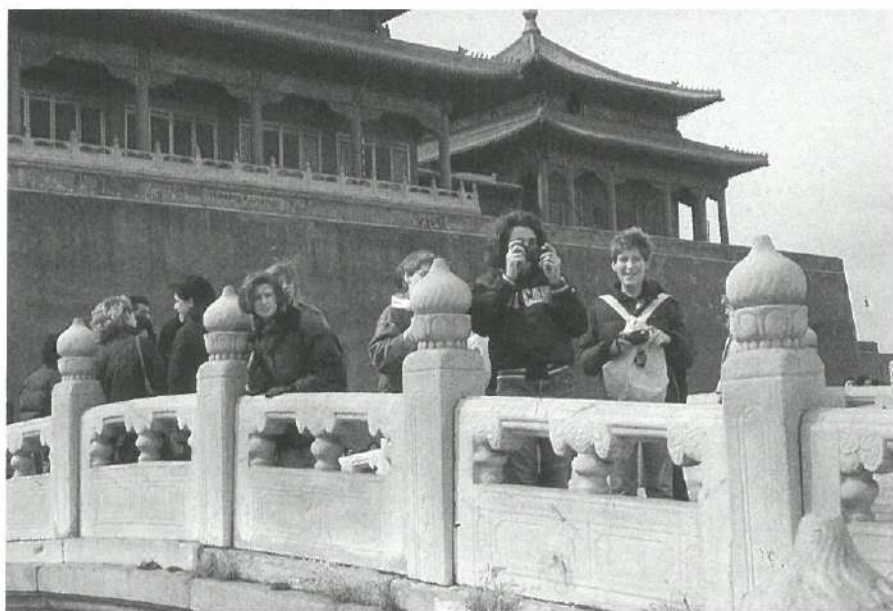

Bianca and the friendly beasts at Experimenta.

ACAT's genetic engineers discover a huge carbon molecule...

Do I dare take the picture?

Acat students on a Chinese bridge.

Andrea dared.

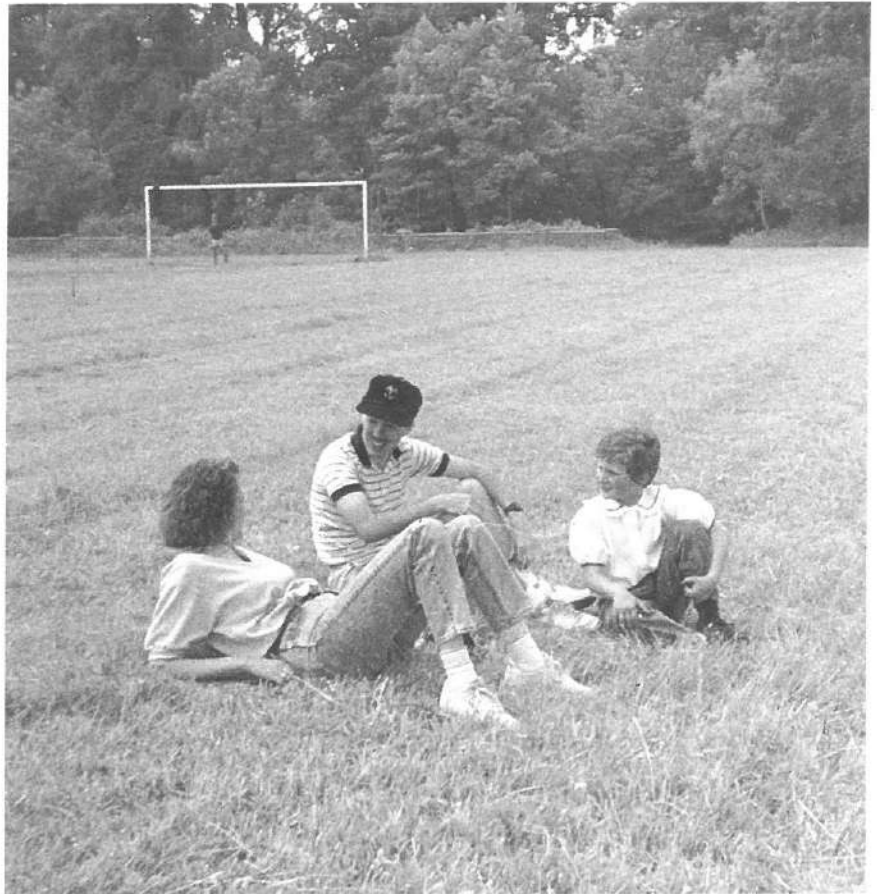

The world of the Last Emperor and many other fascinating discoveries awaited Acat students on their April trip to China.

LA MANDRIA: a refreshing green park where ACAT people go for their end-of-the-year therapy

With shutter finger poised, Michelle stops the action.

"Conversation on the grass"

Pre-lunch exhaustion

Post-lunch relaxation

Intensive pre-bike meditation

La Mandria is... climbing the wooden dragon

... being by yourself

... being with your best friends

... relaxing on the grass

... all of the above...

... and Mrs McKenzie too.

The Elementary Closing Exercises; a chup-a-chup for your thoughts

When ms. Thornton directs...

... everyone Sings!

Promoted.

Waiting contentedly...

Mrs. Zabaldano follows the program with interest.

A teacher's work isn't done until the kids are properly, placed.

... and another successful year comes to a close.

This is the final test of all that singing practise.

"... and the flags were still there".

Mrs. Gelsomini helps aging kindergartner down the steps.

Mr. DeMoss reflects back on his closing exercises... ZZZ.

Probably the best part is the chup-a-chup.

Graduation June 9, 1989

Seniors take their last walk down the garden path.

To the accompaniment of "Pomp and Circumstance", seniors approach the stage.

The ECIS Award goes to Joseph Piovano.

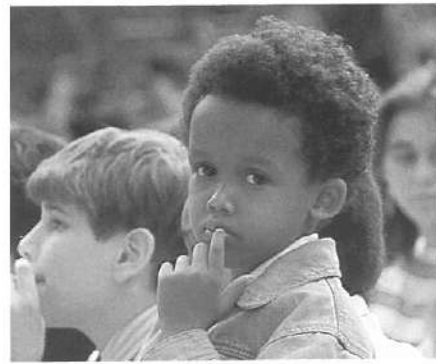

Underclassmen anxiously await their promotion certificates.

The "Graduation Coach", Mrs. Shor.

And Sara becomes a seventh grader.

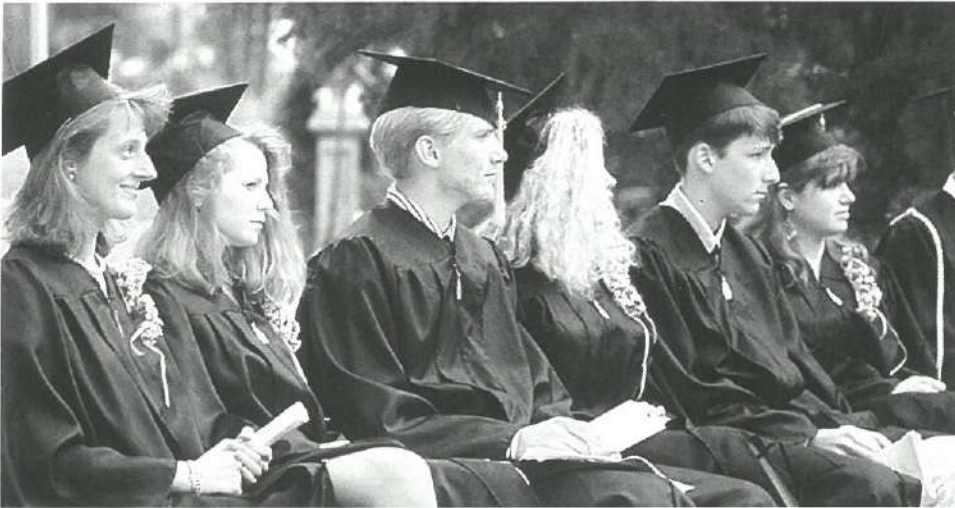

"It all seems such a long time away from my viewpoint".

Smile to show that it's been worth the hard work.

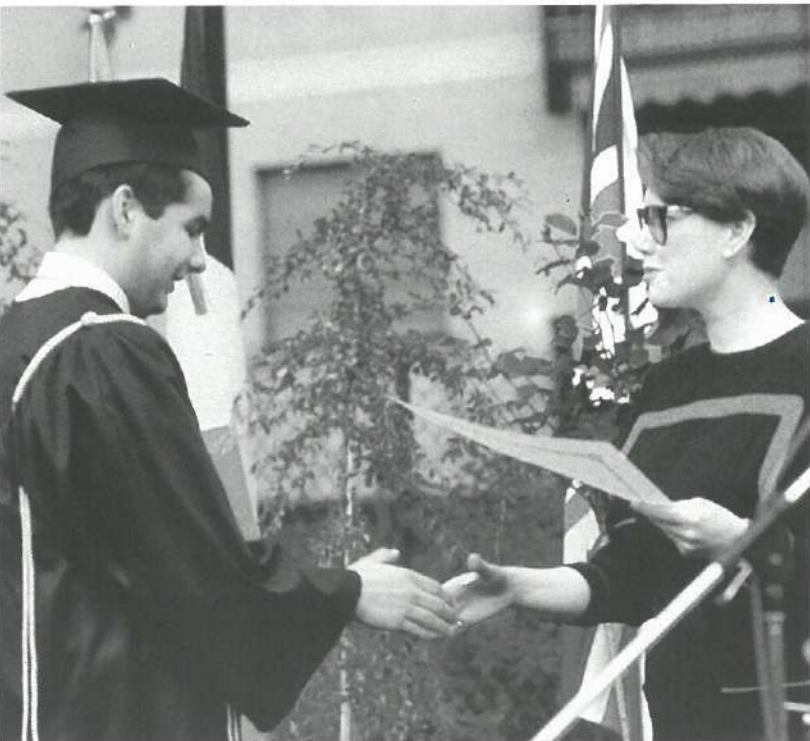

The Middle School Chorus makes a valiant effort.

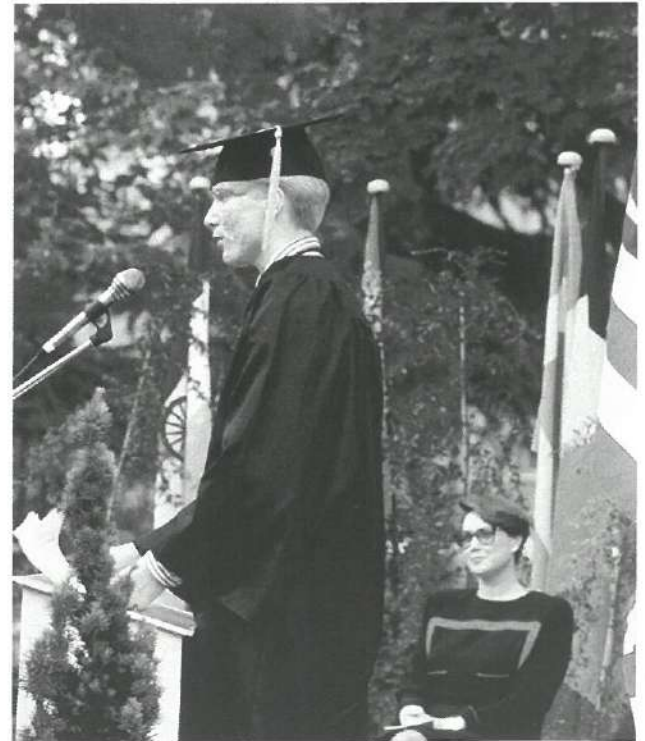

The Graduates.

Congratulations from Mr. Gillogly.

An A.C.A.T. veteran of 13 years, Giovanni receives his diploma from Board President, Mrs. Ginatta.

Sven's big moment came... and went.
